This is something very much needed in our village and will be fully appreciated and patronized by our people when opened for business, in a few days.

SOUTH SHAFTSBURY

Mrs. Frank Gerard has advertised quite largely the sale of much that is useful in household belongings. Look out for the articles mentioned on her bills. Look out for the time and place at the Hinsdillville home on Saturday afternoon.

The writer of this article has seldom if ever ridden over a piece of highway to equal a piece from Shaftsbury line to the Harwood place. It is surely no credit to any town, especially to one able to keep good roads. Bad for horses or any kind of vehicle and surely destructive to automobile travel. It is a blot on the good record of the town for road making.

MOSQUITOES BAD THIS YEAR

But don't scratch the poisoned skin.

Use a mild, cooling, healing compound that stops the itch instantly, draws out the poison in the skin and protects it against further trouble.

Just a mild cleansing wash of oil of wintergreen, thymol and a few other ingredients known as the D. D. D. Prescription (so famous in cases of Eczema) and you have mosquito protection for the season.

Yes, instant relief—now only 25c. W. L. Gokay, Druggist, Bennington, Vt.

Merritt Morgan a few weeks ago was in London, England and saw the Pageant at London which was given under the auspices of the British government at the Crystal Palace grounds. There were twelve thousand actors, and three days were required to see it all. He says that considering the population of the two places, and the amount of historic matter available, the Pageant of Bennington, which he has seen twice, is the best.

Bennington Night, Aug. 16, 1911.

Laughter is shrieking.
Happiness reeking.
All of the village is joyous and bright.
Lights are a dancing.
Sights are entrancing.
Brighter than day is our Bennington night.

Beauty is chaffing.
Merriment quaffing.
Gowns in a flutter, a pause and a flight.
Gaily screaming.
Jollity steaming.
Sidewalk and curb are awash with delight.

See the confetti
Mabel and Betty,
Alice and Elsie are flitting it there,
See how it flutters,
Some in the gutters,
Some in our pockets and some in our hair.

Streamlets of paper,
Catch her and drape her,
Crowding and laughing, a bit of a squeeze,
Never a rudeness,
Innocent goodness,
Bubbling with merriment, out for a tease.

Rattles and bladders,
Teasers and madders,
Flirt in our faces and sound in our ears,
Ribbons enlure us,
Girls will embrace us—
Almost, not quite—so away with your fears.

All are a jesting,
Out for a teasing
Always a joking and never a jeer,
Beautiful madness,
Exquisite gladness,
Never a sadness and never a tear.

Laughter is shrieking.
Happiness reeking.
All of the village is joyous and bright.
Lights are a dancing.
Sights are entrancing.
Come and laugh with us on Bennington night.
Edward J. Hall.

JENNINGS LOST TO WARD
Veteran Ball Player Too Fast for M. Anthony Goffier

Manchester, Aug. 12.—Fritz Jennings again demonstrated his ability as a golfer last week at Ekwanok by playing through to the final of the consolation flight of the first division, defeating W. C. Houston, Philadelphia C. C. F. A. Martin, Ekwanok, H. V. Gaines, Wykagyl, and then losing to the veteran sportsman, John M. Ward, of Garden City in the thirty-six hole round for the Manchester cup. In his match with Martin, Jennings played the outward journey in 35 which is exactly par and won at the nineteenth hole.

SUNBURN LEFT SKIN RAW
Let those who will, laugh at sunburn as trifling to tender-skinned people it is very painful. Mrs. J. K. Taylor, trained nurse of the Post-graduate hospital, New York, says, "A boy who had been in bathing was so sunburned the skin peeled off his back leaving the flesh red and raw. Three applications of Comfort Powder fixed him up." Comfort Powder never fails to heal skin irritations, chafings, summer rash, eczema, etc. The genuine box bears the signature of J. B. Sykes.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice. Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.
